

As a student, or the parent/guardian of a student, you are part of a decades old legacy that brings the art of dance to minority children and families. For 37 years, we have helped children discover their talents and build self confidence through rigorous discipline of classical dance.

Many of our students have been accepted at prestigious dance institutions including American Ballet Theater, New York City Ballet, Pittsburgh Ballet, Dance Theater of Harlem, and the Alvin Ailey American Dance Center. In 2007 the Buffalo Inner City Ballet was named the Cultural Organization of the Year by the Arts Council of Buffalo and Erie County.

We are asking for your help in improving our services and commitment to you. Can you take a few minutes to fill out the attached survey? It can be returned by mail or email to Maskew9746@aol.com Your answers will help plan a better future and keep this cultural institute alive.

Thank you....Marvin Askew
